

ADVENTURES IN ENGINEERING

Cambridge Christian School

STEAM (Science, Technology, Engineering, Art & Math) After School Clubs

Fly with Me!

Grades 4-6

Complete rapid design challenges & explore fun STEAM topics on flight, wind and launching! Class incorporates both play and science to introduce lift, drag, gravity, launch angles and more. Example classes include testing paper rockets on a launcher, RC helicopters and drone piloting, the mechanics of ping pong and more.

Grades 4-6 (12 student maximum)

\$165 10 sessions: 1/17, 1/24, 1/31, 2/7, 2/14, 2/21, 2/28, 3/21, 3/28, 4/4

Thursdays, Dismissal - 4:15 PM
